KARATE BIRTHDAY PARTIES - Ages 4-7

For a great change of pace, we offer the fun and excitement of Karate Birthday Parties hosted in our beautiful facility! Our highly trained and experienced instructors run the entire party, while you sit back and relax, talk to the other parents and take great pictures! Included in the hour and a half party are a great Karate workout, some fun games and activities, and a short **3-Steps to a Great Kid™** discussion on child safety, all of this with your birthday child as the center of attention! These parties are great for kids ages 4-7 years. For the older kids we recommend our Chanbara Padded Weapons Party!

In addition, your child is given one of our great Karate T-Shirts signed by all their friends and guests, and then we all sing the "Happy Birthday" song and cut the cake! After the party, we arrange the kids for a memorable group photo with the instructors and parents.

Also, as a free party favor for your event, we give all the children a **Free 1 Month Karate Membership** at any of our great locations.

To help you with planning, the following is a list of items to bring:

- 2 table cloths (8ft in length),
- Birthday cake, knife, candles and matches,
- Food and drinks of your choice, drink packs work best,
- Party favors,
- Paper goods (napkins, plates, forks, etc.),
- Camera.

We will have our facility open and prepared for you half an hour before start time, ready for setup. After the party, we will help you pack everything up and of course we handle all the clean-up! We are looking forward to making your child's birthday party an event that they will never forget!
