## CONTENT:

Our team of expert instructors will lead students through a fun packed martial arts program that will safely introduce new students to the martial arts and also polish and expand the skills of those with previous experience. The camp features the acclaimed **3-Steps to a Great Kid™** character development program. Activities cover all the important areas of training, including:

- Basic Karate skills, rolls and falls
- Self defense techniques, and forms,
- History of the Martial Arts, personal safety tips
- Padded weapons (to participate, students must bring own equipment!)
- Board breaking, karate weapons (wooden sword & staff)
- Students may earn colored stripes towards their next belt rank.
- When it is appropriate to use these new skills, and much, much more!

Our custom CSSD karate uniform and belt is available from the instructor for \$35. Certificates of completion and belt promotions will be awarded on the last day of the camp. Beginning/Intermediate students have the opportunity (at the instructors' discretion) to be promoted at the end of camp.
